As the holidays approach, the National Honor Society continues to give back to others and the community. On November 30th, the National Honor Society held their winter blood drive for the 8th year in a row. There were 104 registered donors and 68 pints of blood were collected. All of the money raised through the blood drive will be donated to St. Jude’s Hospital to help with cancer research and to support patients. The National Honor Society would like to thank everyone who donated and helped make the blood drive a success. Also, the National Honor Society will be visiting the New Jersey Veterans Memorial Home on December 15th to sing Christmas carols. All of the members are looking forward to visit our local heroes in time for the holidays.

Happy Holidays to All!  - From JFK NHS
On behalf of the administration, faculty, and staff members of John F. Kennedy Memorial High School, I would like to take this opportunity to wish everyone a happy and healthy holiday season.

The Yearbook staff would like to remind you that if you have yet to purchase a yearbook, now would be the time to do so! Nothing else can immortalize the memories you have of high school quite like a yearbook can, and you might feel quite a bit of regret if you fail to purchase one while you still can. This year’s yearbook is shaping up to be one of the best ones that John F. Kennedy has seen, with the unique theme of “US,” bringing an interesting twist to the Camelot edition. Even if you’re not a senior, it’s still a great idea to purchase a yearbook, especially if you have any upperclassmen friends that will be featured in the yearbook. Although the price may seem steep, it’s still a near-impossible price to put on memories. Mrs. Rotella, who happens to be in charge of the yearbook, said “Students should really buy yearbooks because it provides a historical record of all of their high school memories.” It is hard to argue that buying a yearbook isn’t worthwhile, especially when it lets you reflect back on your high school years with relative ease. If you have yet to buy yours, make sure you get one before it is too late.

Please visit Jostens.com to purchase your yearbook! Any questions students can visit Mrs. Rotella, Mrs. Miller or Ms. O’Brien’s SchoolWires pages.

BHS attends Business Day hosted by The Jets

By: Karan Dedhia

The JFK Business Honor Society attended The Jet’s fifth annual Sports Business Day, where they invite many high schools in the tri-state area. JFK Memorial High School has been given the opportunity to take part in the everyday experience of Jets’ employees. It took place at the Metlife Stadium located in East Rutherford, New Jersey. It serves as a home stadium for the two NFL teams: New York Jets and New York Giants. We were all brought into the stadium as soon as we stepped off the bus and were given a brief overview of the business departments that take place in the NFL franchise. Each person we met had diverse stories of how they became part of the Jets organization. Many of them explained how they spent their time interning in college or other sports industries. We learned the importance of networking throughout college in order to obtain future goals. The Jets stadium was huge, we took a tour around multiple high-end clubs, suites, the locker room, and the field itself. One of the staff speaker’s job was to fill the suites with high-end Jet’s fans, which dealt with marketing and a lot of persuasion. Saving the best for last, we were able to go on the football field where national stars played on. The trip was amazing, and helped guide many students learn more about the business careers they could pursue.

A Rigorous Start for JFK’s “A Team”

By: Advisor Jaclyn Jones

The JFK Academic “A” Team has had a rigorous start to their competition season. Comprised of 26 Mustangs, this all-star team has students from all grade levels who are witty, knowledgeable and full of academic promise. Leading the A Team this year are senior captains Jimmy Dhillon, Jofther Jadoc, and Savan Patel - all of whom have been on the team since their freshman year.

So far, the A team has already competed in 5 competitions, including Colts Neck, Seton Hall’s History Bowl, Leonia’s NorJAC competition, and Biotechnology. Placing 2nd at the Donovan Catholic competition in November, the team is aiming to bring home more hardware before the season is over. The plan is to compete in at least 3 or 4 more competitions, so we have a few more chances to make that happen.

Being the eager students that they are, the A team wanted to host our own competition this season, as well. So, on December 1st, JFK hosted 9 schools and 18 teams from all over the state at our 1st annual JFK Academic Challenge. The students ran the tournament and we received great feedback from the visiting teams, including our cross-town rivals, Colonia and Woodbridge. It was definitely a success and a tradition we hope to continue for years to come.

For further information, defer to...Mrs. Jones. :)

JFK Goes Green

By: Aayushi Patel, Grade 12

When efforts to “go green” are implemented in schools, it has the ability to change the world. As exaggerated as that may seem, it is a simple theory that can make incredible strides in changing the course of our near future. Schools are learning environments, a place where children retain knowledge every single day. Imagine if they walked out with not only academic comprehension, but an understanding of environmentally friendly habits that can be engraved into their day to day lives. Thanks to Sustainable Jersey for Schools, John F. Kennedy Memorial High School was able to spread the idea of clean and healthy habits with the use of its very own Eco-Friendly club.

By collecting food and vegetable scraps that would have otherwise gone to waste, students were able to fill a brand new 70-gallon steel drum composter with the generous help of Sustainable Jersey. The scraps were collected during lunches with posters all over the school promoting the act of composting. The collected compost was able to fertilize vegetables in the school garden while teaching students the important of reducing waste. The collaborative efforts of the student body allowed for beautiful, ripe tomatoes to be grown on JFK’s very own school grounds. The compost allowed for the tomatoes to thrive in rich fertilizer, comprised of the recycled organic material that was provided by the cafeteria just down the hall. The tomatoes were then donated to the Woodbridge Health Department where they were distributed to those in need, such as food pantries and churches who feed the hungry.

In the 2017-2018 school year, the Eco-Friendly club is determined to continue this habit of reducing waste and increasing sustainable methods to make the school an even greener place. With ideas such as clean-ups, planting, composting, and plastic reduction already implemented in the school, JFK wishes to reach even higher and endeavor towards making the school as green as possible with the help of enthusiastic students.
A Busy Season for JFK Choirs

By: Gabe Tevas

The Winter Concert is almost here! On Thursday, December 14th the band and choirs will perform their selected pieces to get people in the holiday spirit. Christmas is right around the corner and what a better way to celebrate it with music from our choir program! The concert starts at 6:30pm. Admission is $3 adults/$2 students and seniors. Concessions will be sold. We are looking forward to a fun and successful concert and cannot wait to showcase our talents and hard work.

Our Ashley Farms (October) and the Gertrude Hawk Holiday (November) fundraisers were a success. But, if you missed out on the holiday fundraisers, we are still selling Gertrude Hawk chocolate bars! Many other fundraisers are still in effect. Bagels are still being sold every Thursday morning at Door #1! Also, there will be new and upcoming fundraisers, including Kennedy “K” Alex and Ani bracelets and Don’t Mention It fan apparel. So, be on the lookout for these fundraisers.

Our Talent Show on Friday 11/17 was a hit. We would like to congratulate the students who gave performances and thank the students that helped work the Talent Show, especially our emcees Rachel Mihatov and Anthony Hein, and backstage managers Marina Finis and Iqra Ahmad. We hope that more people audition for the upcoming talent shows to come and for the future shows to be as successful and fun as always.
This year we are proud to have 13 students auditioning for the Central Jersey Region Choir. On Tuesdays the students work hard to prepare themselves for their audition, which will take place at JP Stevens HS on December 9th. We wish them all luck on their auditions and represent the JFK choirs!

The Kennedy Select Choir and Show Choir have been working hard for their upcoming performances. Kennedy Select performed at Flynn and Son’s on December 6 and will be performing at a check presentation at the Woodbridge Municipal Court on December 19. The Show Choir will be performing with the Kennedy Select Choir at the Evergreen Senior Center for their annual Holiday Luncheon on December 15.

Don’t Mention It, the Men’s Choir, has a surprise in store for the Winter Concert... They will be rocking a new look (to make the girls swoon!). They are ready to impress with their voices and now, with their new and improved looks. They hope to catch the eyes of every girl in the crowd and give a show stopping performance!

The Concert and Women’s Choir also have their own pieces to impress the crowd. The Concert Choir is performing a piece in Haitian Creole, with portions that imitate the sounds of native Haitian instruments. The Women’s Choir will be singing a medieval Christmas carol, which has been re-arranged into a postmodern quasi-industrial groove anthem. These ensembles are excited to get people into the Holiday spirit.

Lastly, we want to congratulate the cast of our spring musical, Beauty and the Beast.

Thank you to everyone that auditioned. There was an overwhelming amount of talent that was shown. Come out and support our students in Beauty and the Beast, from March 1st to March 3rd!

Masquerade 2017: A “Frightfully Fun” Night

By: Mrs. Sharon Di Lonardo, Senior Class Advisor

Masquerade 2017 was a “howling’ success, proving once again to be one of the most popular dances at JFK High School. On Thursday, October 26, over 390 students donned their “spook–tacular” costumes and partied from 6:30-9:30pm.

The highlight of the night was the costume contest with cash prizes awarded to the winners. Voted on by the students, the winners for the Masquerade 2017 Costume Contest were:

Left: Most Original:
The Hitchcock Girls:
From the movies PSYCHO and THE BIRDS—Julia Sinatra, Grade 12 & Erin Sinatra, Grade 10

Right: Scariest:
The Purge—Rodaba Babar, Grade 11

Below: Best Group: The Scooby Doo Gang—
Jalen Lisbon, Rachel Mihatov, Elizabeth Jiminez, Nicole Simoes & Megan Smith, Grade 12

Left: Funniest: Guy Fieri: Food Network Star—Jarred Tolley, Grade 12

Right: Best Couple:
Cosmo and Wanda: 
From the show the Fairly Odd Parents—
Rosa Del Popolo, Grade 11 and Dennis Howard, Grade 11

All who attended had a “frightfully” good time and in the process raised over $1900 for the Senior Class of 2018. Start working on your costumes for next year!

Transition to Track

By: Coach Robert Seavy

With the ups and downs of the fall season behind them, several girls on the cross country team begin to prepare for a wider variety of events in Winter Track. Seniors Stuti Vyas and Maithili Patel, junior Kirsten Javier, and freshman Khushi Choudhary will lead the mid-distance runners in the 4 by 800 relay. They will be joined by a strong group of sprinters and jumpers, who come to the program from fall sports like soccer and cheerleading. Jelisa Lovett is the defending state sectional champion in the high jump and a vital member of the sprint relays. Hurdler/sprinters Jackie Kelly, Madison Buttiita and Destiny Pagan will lead one of the strongest hurdle relays in the conference. Finally, Auslin Mills and Aimun Akhtar will headline what looks to be the most talented group of sprinters that JFK has seen in several seasons. The athletes begin their indoor competitions with December meets at Fairleigh Dickinson University and at the Ocean Breeze Track Complex in Staten Island.

Good luck girls!

Boys’ Basketball Puts in Work

By: Coach Sebastiaan DeVoogd

Compared to last year, your Mustangs boys basketball has many new faces. Rohan Chakke and Hossam El Rashidy are the only players returning with varsity experience. However what the team lacks in experience, they make up with work ethic and enthusiasm. At this point the Mustangs completed two scrimmages and it is too early to make any projections on starters or how we will do this season. However, what I can tell you is that the team has gotten better every time they have stepped off the court, either after practice, scrimmage, or 6:30AM shoot around. They are committed to reach their potential and that makes them an excited team to coach and watch. I am looking forward to see you this season as you support your Mustangs.

Go Mustangs!
Girls’ Basketball Hopes to Continue Success

By: Coach Nicholas Smith

The 2017-2018 girls basketball team is looking forward to successful season on the hardwood. This year’s team will be made up of upperclassmen who have seen significant varsity minutes, as well as a small mix of newcomers. Freshmen Malak Mowafi will be controlling the court as our point guard this year. She will play alongside Freshmen Rhea Martin and Juniors, Sally Abdelaal and Tazia Pettus. Controlling the blocks down low will be 3 year starter Jaylin Cabrera and Freshmen Olivia Sims. Returning starter Kristina Caroselli will see time as both a guard and a forward as her versatile skill level will be needed all over the court. This year’s team philosophy is to lead “Everyone Leads Together”, if they work together nothing will be impossible. We look forward to seeing you at our games and being our 6th Man!!!

Competition Cheerleading Prepares for Season

By: Coach Jessica Herres

The 2017-2018 Competition Cheerleading team is made up of 12 talented individuals. The squad started off their season with summer workouts to better their endurance and skill work for the type of routine they were going to have to learn and perform to perfection. The girls will practice three to four days a week as well as cheering at basketball games and competing every weekend starting January 6th. They will perform in five local competitions including Bishop Ahr, Woodbridge, Ramapo, Howell and David Brearley. They will also be competing for the First time at Dallas Nationals in Dallas, Texas. This is a huge competition that you have to be invited to compete at. They will then end their season with the State competition. Ms. O’Brien and myself are looking forward to a great season with this fantastic group of ladies.
**Girls Volleyball**

*By: Coach Bob Hugelmeyer*

The JFK Girls Volleyball program entered its eleventh season this fall. The team had a distinctively new look this season, and there are plenty of reasons to be excited about the talent on the court. The Mustangs posted an 11-9 record, and Coach Hugelmeyer is proud of the effort put forth this year. We look forward to a continued commitment to excellence next year. Our varsity team consists of senior captain Taranjeet Manko, seniors Shreya Dhyani, Carmela Sadaya, and Nicole Chun, junior captains Juliana Impaglia and Ariana Silva, junior Jillian Sims, sophomore Shreya Bose, and freshman Olivia Sims. Juliana Impaglia was named to the GMC All-White Division team. Coach Hugelmeyer would like to thank the team, and the entire JFK community for making his 11 years as head coach so special.

**Boys’ Winter Track Team Preview**

*By: Coach Robert Herre*

The Boys’ Winter Track team has an exciting season planned. We will be traveling to Farleigh Dickinson University to run at the FDU Holiday Classic. Then, we will be heading to the Coach Glynn Invitational at the Ocean Breeze facility in Staten Island. We will also be competing in the GMC Relays, the GMC Championships, the Colts Neck Relays, and the State Relays. Our season will prepare us for the State Sectionals Tournament with hopes of making it to the Meet of Champions! Led by school record holders William Anthony Smith and Prakher Chandra, the Mustangs should register another great season. Look for Jeffrey Alfaro, Adeesh Bhat, Roman Fabbricatore, Eder Mendez, Nikhil Thapa, and Kevin Sayles to have big years as well.

**Boys and Girls Bowling are Back in Action**

*By: Coach Erica Cruetz*

The boys and girls bowling mustang team are back in action! Tryouts occurred in November throughout a few days. The first match began on December 1st. The girls welcome back 7 girls to the team. They have practiced over the summer and are determined to continue to improve. They work on small goals to improve daily. They are well respected by the conference for their effort as well as kindness. They are looking to gain a win or two this season. The boys bowling team lost 2 seniors and gained a new freshman who will make a large impact. They have some high scores already and looking to repeat as Blue Division Champs! So far they are 2-0 and looking to continue the streak of being undefeated. Both girls and boys will compete in numerous upcoming tournaments and matches before the Holiday Break.
